On the day, the birthday child will be given a YogabelliesKidz® "it's my birthday" t-shirt and each child will get a name sticker to make your life that little bit easier.

We will provide yoga mats for use on the day.

Sessions are typically 1.5 hours long and usually go like this:

- On arrival name stickers are given out.
- We do our Yogabellies Kidz warm up
- The children play some warm up party games such as; Hunt the pose where teams of children hunt for yoga cards around the room and copy them, Yoga statues, Pass the balloon & musical yoga mats.
- We will then take the children on a yoga adventure using story telling and acting of animals etc using yoga postures and they will even get to make up their own postures
- The story ends with a guided relaxation to chill the kids out right before the sugar high! And we will provide some colouring sheets and crayons so they can get creative too.
